Summer Camp

While camping with my husband this summer, I started teasing two young lads in a nearby tent.

One thing led to another and one night my husband got very aroused when he got back from the shower and found the lads touching me up.

They had taken off my dress and were running

while the other flopped his cock into my mouth.

They swapped round and the other guy stuck his cock in my panting mouth. He was even thicker.

I reached orgasm in no time at all and had to clamp a hand over my mouth to stop the whole campsite from hearing.

I could see my husband standing there stroking his cock, really erect at the sight of his lovely wife being such a horny bitch.

The guy who was licking me nudged his cock into my pussy.

He rammed his dick in and out of me and soon my muscles tightened round him as I reached another shuddering orgasm.

The other guy then took his place in my spunky pussy.

This all proved too much for my husband who followed that up by spraying his spunk over my bouncing bottom.

Lick her licence

Ever since I realised I was a lesbian, I've been looking for kinky thrills with other women. Recently I decided to place a contact ad online. I just posted an undraped picture of myself, saying I was open-minded and wanted my limits pushed.

I got a lot of replies, most from single women and a few from couples, straight and lesbian. But the winners were Nicola and Amanda. They were both married – to men – but had been fucking each other for years. A few emails later, we decided a threesome might work, so I went to stay with them for the weekend, at Amanda's place while her husband was away.

They suggested leaving Friday fuck-free, just so we could all get to know each other better and work out exactly what we wanted. But we all knew what we were after a couple of hours and a few drinks later.

In the bedroom, we all kissed and undressed each other, Nicola and I ending up totally naked while Amanda kept her split-crotch knickers on. Between us, we also had the biggest collection of sex toys I'd ever seen – I'd narrowed my choice down to ten, Amanda had a drawer full and Nicola's hold-all seemed to be rattling with the things.

The pair of them were desperate to have a crack at me. They were both pretty sexy women in their mid-20s, but how many 30-year-olds did they meet who were up for it like I was? As it was Amanda's place, Nicola let her go first. She laid me down on the bed, arranging me just how she wanted – legs apart and cunt wide open. I put my hand up to grab my tits but Nicola asked me to stop

she might as well have plugged me in, the way I convulsed about as she pressed it lightly against my clit. Then she got a dildo and slid it up my hole. I was already frothing wet. As she worked up to fucking me hard, I gave as good as I got, pushing back against her.

The next time she pulled the toy almost all the way out, I put a hand down and grabbed it round the shaft. She asked if I was okay – I said yes, then moved it down so it was poised over my arsehole. I slathered my own pussy juices over the shaft and on my arse, and Amanda used some lube as well, just

They were insatiable, though. Amanda used her toy to fuck herself to orgasm, while Nicola barely let

me recover before she was asking me to strap one on. I pretty much just lay there, moaning with pleased exhaustion while she straddled my crotch, fucking herself against the big rubber prong sticking up from it.

TOP BANDANA!

With his signature bandana and sheepish grin, porn director Johnny Rebel looked like the shy, skinny bloke from next door who'd got jammy with the horniest UK birds around. He's well overdue this retrospective from Your Choice available at your local adult shop.

NORWEGIAN WOOD

A dirty weekend in Oslo? It may not scream sex but there were plenty of really horny gals when I visited the Sexhibition sex fair last month. Maybe we should launch a mag out there. Fjord Escort perhaps?

Dear Julia

Thanks for a good *Escort* vol 33 no 8. I particularly liked Lisa in your contact wives section, so much so that I am mailing her (the first time I have ever done anything in my life like this!). Just a pity she lives all the way up in London, which brings me to the point of this letter. Why is it that hardly any wives/girlfriends are from the Devon area? Surely all the women down this end of the country

aren't prudish. As the lovely Delia from Plymouth and recent *Star Wife* Sue from Bath, (lovely arse by the way Sue!) prove, this can't be the case. So as a plea to all shy but horny females in the South West, go on get your kits off for us blokes in Devon! Ben, Exeter.

Julia says: Sue from Bath returns in this issue. You heard him, Cornish tasties and Devon creamy teases, get your Bristols out and send us the pictures please!

Dear Julia

Three girls feasting on cream-smeared pussy? What's not to like? Great cover, great pictures in vol 33 no 9 – my bedroom was just as creamy as those dirty girls were after I'd finished with the mag! Ally, Pinner.

Julia says: Glad you liked the snaps. We don't have the pics, but the cleaning up part was almost as much fun as getting dirty!

Dear Julia

More of Kai please – it looked like she was having a lot of fun. I'd rather she was chewing something a bit closer to home than gum though! Terry, Tiverton.

Julia says: She's a bubbly lass all right! The gum was the only way to stop her yakking on!

TRUE BLUE

Porn director Scarlett Revell reveals how much fun it can be to call lights, camera and plenty of hot, fucking action!

As a teenager I used to collect and watch a lot of porn. I'd spend \$30 of my hard earned cash to buy a DVD, but when I watched it I was often left disappointed. Don't get me wrong – it still did the trick, but often the girls looked bored or lazy, the lighting was poor and generally it appeared amateurish. For the amount I was spending I wanted something that looked beautiful and showed amazing sex. I didn't understand why it was so difficult to find that. Perhaps because of that experience I knew I wanted to be a porn director. Now I've achieved it, I get to put my ideas out there and see my whole, sexy vision come together.

Currently I work for Harmony and have directed four films. To me directing adult movies is an art, because I think sex is such a beautiful thing. I like my films and the performers in them to look beautiful, so I'd say the style I'm developing is couture. I love fashion, lingerie mostly. I say couture because of the outfits I use and designers I work with. For example in my most recent film, *Sex in Venice*, all of the outfits were designed by Atsuko Kudo, a latex specialist who is Lady Gaga's designer. The girls look gorgeous in their beautiful outfits. I have to say, I love women in latex as it really emphasises every little thing about their body. If fashion magazines included porn, then my films would be in the pages of *Vogue* or *Harper's Bazaar*.

Obviously, there's more to adult directing than lingerie. I love my job because I get to look at people having sex and meet beautiful women. Basically, I get to tell people how to have sex and I make a story out of it. Then it becomes a DVD that people want to masturbate to and that's exciting for me. Whatever turns me on is what I film. For example, I have a lot of anal sex in my personal life, so I include a lot of anal play in my movies. That is a key bit of advice to any aspiring porn director: point the camera to what turns you on.

Being director isn't always easy and I work hard. Stepping on set as a director there is certainly more pressure. If things go wrong you have to be able to think on

Shady lady: Revelling in a world of kinky sex

REAL STORIES FROM THE SECRET WORLD OF UK SEX!

your feet. I remember when I arrived on set as director for my debut film *Mind Fuck*. I was nervous, but you have to learn to compose yourself. Sometimes I didn't know what to do, but just went with my instincts. That's a skill I think every director has: if they're unsure about something, or something goes wrong, they find a way around it.

The toughest aspect is the intro to a scene, because it's heavily choreographed: I tell them what to do, how to do it, how everyone should be dressed; the make-up and everything is planned, but when it comes to the sex I know my guys are fantastic and will get me what I want. If the girl is new I can rely on him to move her, or know if I want the sex really hard or really romantic. If the girl is experienced I'll just be like, "Hey, give me what you've got," because sometimes when you let the actors have sex they'll come out with the most amazing thing.

For example, I was so lucky with the first scene I filmed for *Mind Fuck* and it's easily the hottest I've caught on camera so far; it was such a surprise! The scene was with Celeste Star, Skin Diamond and Adrianna Luna. I didn't know Celeste and Skin hadn't fucked each other before. They'd been on set together before, but never had sex. Not for lack of trying! That day I had the honour to see how these women would fuck each other. It was amazing! I kept filming and shot more than I needed to because they didn't want to stop! It was brilliant to see two women fuck each other's brains out: you rarely see that. I was getting a little tingle down there and I thought if I and other people in the room are feeling it, then this must be really good and it was! It got nominated for the AVN awards in the end.

What's next? Well, I'm not too sure. Perhaps something more story based. But you'll have to watch this space and I promise you'll be the first that I tell...

REAL WIFE SEX

Tessa, 24
Middlesex

Tessa proves that if you swing both ways, you double your chances of bagging a mind-blowing threesome

BI FOR N

As I'm bisexual, I get more chance of threesomes than most people. Also, I'm quite up front when it comes to sex and if I see someone I fancy I'm not afraid to ask them if they want a fuck. The way I see it, the majority of people want to fuck the majority of other people, so if we all just admitted it we'd all get to fuck as much as I do. Which is a lot, believe me.

The last time I had a threesome happened one night after I met a couple in a bar. I was having a drink with a group of friends when I spotted a young couple getting quite horny with each other in a snug corner. The sight of them kissing and rubbing each

They were locked in a wet 69 with Sarah on top

other up got me really wet and I really wanted to get them both into my bed. I kept looking in their direction and managed to catch the eye of the girl once or twice.

When the bloke went up to the bar I went over, sat in his seat and started chatting up the girl. Her name was Sarah and she looked about 19 years old. She was clearly not as innocent as she looked because she was being very flirtatious in her answers to my questions. When I asked her if I could join her and her boyfriend for at least a drink she looked me in the eye and nodded, smiling.

I went up to the bar and stood next to her boyfriend. I said hello and told him my name. Then I told him I thought

he was fit and would like to take him to bed some time. He had no idea who I was but looked quite chuffed with himself when he walked off with his drinks. Then when I pulled up a chair at their table and Sarah introduced me to him, Steve had the look of a lottery winner.

We chatted over a few drinks, during

which time I was very up front with both of them. I made it clear that I wanted them to come back to my place for threesome sex, and outlined exactly how exciting a prospect that was for them. They seemed to agree with me, because an hour down the line they were well up for a bit of how's-your-father.

We got into a taxi and headed to my place. I suggested that they go upstairs and get comfortable, saying I'd join them later. When they'd gone I pulled off my soaking pants and slipped a finger into my pussy which was crying out for some attention. I thought about the sexy couple fucking upstairs in my bed while I plunged two fingers in and out of my cunt and bashed my clit with my thumb. I was so turned on I came in seconds.

I left my soaked pants on the floor and padded upstairs in just a short skirt and bra-top. I was creaming in anticipation

cheeks wide. Then I slowly inserted a finger into her slippery pussy and licked all around it. I followed it up with a second finger and then a third. She gasped as I furiously finger-fucked her and licked her pussy.

When she came it sloshed out over my wrist and I slurped up her sweet juice. Then I lay on the floor with my legs spread wide and she returned the favour. Steve was rock-hard again after watching our lesbian show and he lay back

as I stood outside the door listening to Sarah moaning. When I pushed it open I was greeted by a fucking horny sight. They were locked in a wet sixty-nine with Sarah on top, and I got a great view of her firm arse and pink lips as Steve plated her.

I stood for several minutes just watching them go at each other. Dropping my skirt to the floor, I began to rub myself up as I watched. Sarah was letting out a constant muffled moan as she crammed as much of her boyfriend's cock into her mouth as she could.

At this point I just had to join in. Getting onto the bed, I leaned over and deep-kissed Sarah. Then I started rubbing Steve's balls and helping Sarah suck him off. We both ran our tongues up and down his shaft, taking turns to take it deep in our throats. It wasn't long before Steve said he was about to cum. I wanked him to a climax and he shot his load all over his girlfriend's face. I then took his dick in my mouth and

I drained every drop of spunk from his balls

drained every drop of spunk from his balls, before passing it by mouth to Sarah.

Steve then lay on the bed recovering and watching as me and Sarah started on each other. I bent her over and knelt down behind her, spreading her

BILLIE

Often we have to be gentle breaking in our girls making their debut in Escort. The loudest and lewdest members of staff are confined to barracks and we hide all the bukkake videos. But you don't dye your hair red when you're sporting cruise missile DD boobs on a tiny five foot frame if you're a shy and retiring sort. "What kept you guys? I've been dying to get my kit off in Escort for ages!" shouted 22-year-old Billie from Surrey. "My fantasy is to get you lot cumming, and cumming hard. So I'll get my kit off for that shall I? Hope you like what you see, lads!"

Wanking from home

Working from home means I can get up five minutes before my working day begins, and walk – sometimes drag myself – over to my desk!

Recently, my bloke, Dean, slept over at mine, and when it was time for me to get up for work, I just left him in bed. But, about an hour later, he

started wanking next to me.

Sometimes I'm too professional for my own good, and I just carried on typing. But as Dean got more and more worked up, I kept looking over at him, glancing at his cock. It looked so tempting!

In the end, he won. I put his salty cock in my mouth.

Suddenly the phone rang. Dean told me to ignore it. "Keep on sucking my cock instead," he said.

A few minutes later the

up and down it in a blur, while I answered the phone.

I tried to play it straight, but I was too distracted. The

phone. I knew arguing would just lead to more trouble, so I let the robe fall off and sat there, tits stuck out proud.

best thing I could do was grab Dean's cock and wank it a bit slower! "Sorry, I was in the loo," I told my manager. If I'd looked Dean in the eye now, I'd have lost it.

Now Dean reached down and pulled my tits out of it, then wrote "Talk to him in the nude" on my notepad by the

Dean gave them a rub, then walked his fingers down over my stomach.

Luckily, I managed to end the call before he reached my cunt. I wanted to kill him – but not before he'd made me cum! "If I shag you, will you fuck off and let me do

I TELEPHONED MY BOSS WITH A COCK IN MY PUSSY

came strutting into the room I use as an office, stark bollock naked and with a massive hard-on. Good thing I didn't have my computer webcam switched on!

"I'm trying to work," I said.

"I know," he told me, and

phone rang again, and this time he pulled out and dared me to answer it. I sucked him in deep one last time, wetting the whole length of his shaft with my spit. Then I watched his hand slide

some work?" I asked.

I braced my hands on the desk, Dean finger-fucking me a little bit more – if I told him to get on with it he'd take even longer. Anyway, I liked it! And it was probably just a minute before he put his cock in my cunt and started shagging in and out. My pussy had had a bit of a seeing to the night before, so I was really feeling it now.

The phone rang yet again, and he told me to answer it – or he'd do it for me. This was so off the-scale crazy, I actually managed to stay cooler than I'd done before, talking normally to my manager. To be fair, Dean didn't slam me like before, he just stayed deep inside me.

After hanging up I left the

phone off the hook. Now Dean could fuck me hard as he liked. He really gave it to me, and as I started cumming I felt him jizz inside me too. For as long as he could stand to, he stayed inside me, frigging my clit till I came again. Then he pretty much staggered off to the bedroom to sleep it off.

I was so energised that I got loads of work done! The thought of knocking off for an hour of cock at lunchtime motivated me too!

Violet, Coventry.

Like our performance in the sack, American football consists of about three minutes of action and twelve hours of lounging around. For highly sexed MILF Lyndsey, 33, it's the other way round. And she doesn't yell "Touchdown!" when she cums either. "I'd prefer a touch-up!" she giggles, gamely displaying her end zone. The eye black, by the way, is there to reduce the glare from the thousands of shiny readers' cocks now winking, and wanking, at her.

DOWN THE TUBE BROOKE

One arm pit we're not averse to being squashed up against in a Bakerloo Line carriage belongs to swinging Londoner Brooke. "Ooh, mind my gap," grins the strap-hanging slapper from Camberwell, South London with perfectly scented pits. "I love to surprise strait-laced businessmen in the morning who get all flustered when they realise there's just a flimsy summer dress separating his body from mine. Sometimes I even sit on them 'by accident'!"

SEX WITH ALL THE STRINGS

Slave to the jism Daisy Blade explains why she loves a bit of rough with her tumble...

I want to let you into a little secret: I love to be controlled. Being with someone I trust has allowed me to explore my subservient side. I enjoy being Mr Boyfriend's play thing, to fuck and use however he wishes. Resistance, eventually followed by submission, leads to very hot sex.

I stood at the end of the bed and waited for instruction, unsure of what he'd ask me to do first. He knew what I wanted to happen.

"Take off your top," I did.

"Remove your bra," I did.

"Play with your tits," I obeyed.

He lay back on the bed naked and as I massaged my huge tits I watched his dick stiffen. Seeing his increasing excitement turned me on more.

"Stop. Come and suck my dick," he ordered. Kneeling between his legs I took him into my mouth, kissing, lapping and finally sucking him fully. While I worked his cock with my mouth he lay back, hands behind his head, and thrust his hips to get deeper down my throat. It didn't take him long to settle into his role and take further advantage of his position. Slipping off my shorts, he then moved my thong to one side and fingered my pussy while I sucked him off.

It was quite tame until he put the collar around my neck. I was now his servant, his fuck toy. Mr B pinched my pussy lips and spanked me. Moaning, I tried to take his cock out of my mouth, but he commanded I hold it there.

He growled, "I'm going to finger and spank you until you cum. I want to hear you moan an orgasm all over my cock." Seriously, there is nothing sexier than being ordered to cum.

I struggle with his dick in my mouth. Being able to moan loud and hard is part of my release. With him filling me I could only get muffled noises out, afraid that if I let go of his dick he'd stop working my pussy, spreading my lips wide before dipping his finger

deep inside to find my G-spot, his thumb simultaneously rubbing my clit. Seeing me struggle made him hornier and I soon came all over his fingers. I was a quivering mess. Surely he'd give me a moment to compose myself?

No chance. He'd got me in exactly the state he wanted me. My snatch was dripping wet and ready to be fucked and filled with spunk.

Taking hold of the metal ring on the front of my collar, he clipped a chain to it that was looped around the foot of the bed. I was his captive. Kneeling on the floor, I looked up at him. His dick was pointing at my mouth. Instinctively I leaned forward to take it. He moved back. What a tease! "Lean forward with your head on the floor," I did and my pussy was forced into the air, totally exposed.

I couldn't see him, I could only feel him. Dipping the head into my cunt, he teased me. I'd recovered from my first orgasm and, feeling greedy, wanted another, but only he would decide when.

stroking in and out of my slit, he grabbed my hips with one hand and pulled on the chain to lift my head up with the other. Mr B was riding my pussy like a pro and there was only one thing

he wanted: to turn me into a filthy spunk bucket and make my little snatch take it all.

Knowing I was being used for one purpose made me wetter. I had a long, intense orgasm at the thought of that while he fucked me, hard. Ruthlessly, he pumped my cunt until I felt him take two longer strokes and then hold himself deep inside me. I felt him spunk, which made me orgasm again – I love feeling his cum shoot out.

When he'd done, he pulled out and relaxed on the bed. He threw me a towel to clean myself up (what a gent), but left me naked and chained up until he was ready to go again.

HA

HARMONY

Bald and beautiful Harmony's pussy might not be needing a trip to the fanny barber any time soon, but it will be taking an excursion to the local dogging site as soon as she's finished this shoot. "I'm freshly shaved not just to look nice for these photos but because I want my lips to be nice and sensitive and slutty looking for strangers to spunk over. My equally filthy girlfriend will guide cocks up my cunt as I lie on my car bonnet and lick up any spillage. There's always lots!"

The Dyke side

I'd been bi-curious for about a year when a lesbian mate of mine finally did something about it – fixed me up her ex.

Abi was cute rather than stunning, smiley with big blue eyes. Somebody who'd fuck for fun and not take it personally if my experimentation didn't work out!

I ended up at hers, just tipsy enough to stop being shy, and she took me straight to bed. She got on top of me, sliding a knee between my thighs, so it squashed my swelling cunt-lips against clit.

I watched her boobs jiggle over my face and then I kneaded them together around it, shaking my head from side to side.

As I sucked on

"Sorry, sweetheart, you just got me too turned on," she said. I didn't mind – I was sure I'd soon get to cum too.

She asked did I like toys and of course I

her fingers worked over my clit. Every now and then I'd feel her swallow, and when the pleasure hit me full on, she strung it out for longer than I'd ever managed myself.

She knew a few more tricks as well, like hooking her fingers to catch my G-spot. I kept telling her to rub my clit as well but she just told me to be patient. And again it was a slow, warm build-up but when I finally climaxed I couldn't move and my pussy gushed.

with, I felt it had plenty.

"Just lie back," she told me – I had to hang on to the headboard to keep my hands to myself!

She kept on teasing me with the vibe all over the outside of my pussy, so by the time she skimmed it along the slot between them, I started squirming – and it only took about a minute for me to cum.

Next I said I wanted her to lick me, to just feel a woman eat my cunt.

She closed her mouth over my hole, sucking gently as her tongue flicked in and out, and

When I saw the mate who'd fixed us up I gave her a big kiss. She asked if I'd "come over to the dyke side" and I smiled and said I'd be seeing Abi again very soon. And I can't wait!

If you had a gorgeous wife like this, maybe you'd keep her chained to the microwave and knock her up repeatedly so she'd never stray from you. Happily, Sam's husband is an enlightened fella who doesn't like to hide his light under a bushel. "He encourages me to go out, flirt with people at work and even fuck them – as long as he gets to hear about it!" grins the 28-year-old housewife from Yateley. "I even take pictures of me riding and sucking co-workers' cocks. They think I'm having a secret affair, but my husband knows everything! They'd be shocked!"

These dusky maidens get a real seeing to & scream with orgasmic pleasure. A must have for all ethnic sex fans.</p> <p>18+</p> <p>DVD CODE LS171</p>
<p>Lads Shagging OAPs</p>  <p>See black & white studs in their 20s giving it hard to highly sexed OAPs. These elderly ladies love it in the vagina & anus & really enjoy gobbling their young lovers to sticky completion!</p> <p>18+</p> <p>DVD CODE LS172</p>	<p>Amateur Gangbang</p>  <p>Really strong footage showing amateur cuties taken hard by packs of horny geezers. These girls aren't getting paid they are performing because they are exhibitionists who love getting gang banged.</p> <p>18+</p> <p>DVD CODE LS173</p>	<p>MILF Lesbians</p>  <p>Imagine how strong you will climax watching sophisticated ladies aged between 30 & 35 eating each other's snatches & ass holes because they love it! <p>Old Granny Gets Laid</p>  <p>There is nothing glamorous or sophisticated about these grannies. They are overweight, ugly & riddled with wrinkles, stretch marks & saggy tits. But 'oh boy' do they enjoy getting shagged! Really dirty sex footage!</p> <p>18+</p> <p>DVD CODE LS176</p>	<p>Unspeakable Sex Scenes</p>  <p>WARNING - Probably the strongest, most outrageous porn film La Creme have ever offered! No description allowed. Please DO NOT order unless you are 100% unshockable.</p> <p>18+</p> <p>DVD CODE LS177</p>	<p>Grandma's A** Gangbang</p>  <p>Like the idea of watching grannies from their mid-50s to late 70s taking it deep in the A hole from multiple guys? one hell of a row as her boyfriend fucked her arse and I plated her cunt.

This horny action continued until Steve suddenly pulled out and with a yell came all over Sarah's arse and pussy and my face. I licked her clean and then took Steve's cock in my mouth and sucked all the juices off it. We were all fucked after that filthy romp, but not too fucked to get cracking again after a porn video break.

You see, everyone's up for a fuck – you just have to ask! 

I sucked her clit as he inched up her arse

on the bed slowly wanking his big cock.

As he began pumping in and out of her right in front of my face I darted out my tongue to lick his balls and shaft. As she was getting fucked from behind Sarah was giving my clit a good licking.

After Sarah had cum messily all over

What every serious operator's desk needs – fax machine, calculator, massive black dildo. Our editor Julia Jones swears by this arrangement – between us, she's usually got a cracking girl sprawled over her keyboard as well. Makes it awkward sometimes when she tries to put her biro back in the desk tidy. Anyway, this is Anna Joy, a super-depraved MILF who never fails to get us wanking like bored, caged chimps under our desks.

I pulled her silky knickers right up into her crack, then told her to remember what this was about – her thanking me for giving back her phone, not

Mobile moan

The other day, I found a mobile phone someone had lost down my local. It had "Home" in the contacts, so I called the owner, a girl called Lily, and offered to drop it off at her place the next day.

She asked me in for a cup of tea, and offered me some cash to thank me for my honesty. I said no need – what was a bloke like me going to do sparkly pink handset anyway?

"Give it to your missus?" she suggested, in quite a suggestive voice. She looked like a bit of a minx too.

I answered that I

lane attraction

Staying at my mother-in-law's is never fun. She's a cow and the walls are thin so I can never fuck my husband.

So last time I told him to say we were going to drive to the shops as I was gagging for a shag.

He'd barely parked in a country lane before he was shoving my seat back and snogging the face off me and pulling my tits out, mauling at my nipples with his mouth.

I let out a gasp as his hand went up my skirt and inside my knickers. Taken by surprise I still wasn't very wet, but I felt my pussy start to juice up rapidly as his fingers probed my clit and hole.

There wasn't room to strip off so he just pulled them aside and unzipped himself. Then he got on top of me. He's quite a big bloke and I like to feel his weight pressing on my crotch, splaying my legs wide open.

We snogged again and I was clawing at his back, sticking my hands up his shirt to get to his skin. I didn't want to hurt him, but the feel of my scratching nails sent a shiver through him as his prick slid up my cunt.

He fucked me deep now, grinding in circles, squeezing my clit against my pubic bone. Normally I cum from having him rub it but this felt different, like a big, warm glow slowly spreading out from my crotch, then a sudden shudder hitting me from nowhere. I moaned loud, rising to a yelp as he started sucking on my tits again, and he strung it out.

"Like that?" he asked, and I moaned that I did. Then he said he was going to finish off in my arse. I hesitated and he asked how horny I'd feel walking into his mum's house knowing I'd just been slipped a length up the bum.

That convinced me – he got off me and I

rolled over and grabbed my handbag from the back seat, seeing what I had to lube myself with. Slowly, and using a blob of hand lotion, he guided his knob inside me, then we lay face-down on the seat, me feeling like he was deeper in me than he'd ever been. I couldn't keep from moaning so I buried my face in the headrest, breathing in the smell of the leather.

When I came this time it was quicker, sharper. Then I felt his bollocks empty into

pleasure as I got my cock out.

She reached underneath herself, wanked my shaft a few times, then stuck me inside her, squirming her arse and

splaying her thighs to take me deep. All the while she was frigging her own clit and, once she started to cum, she was off again and again.

I got the feeling she liked it a bit rough – she was certainly bouncing on me hard, and when I grabbed her tits and gave her nipples a pinch, that just set her off even more.

As she cupped my balls, I felt them tighten up and knew I wasn't far off my own

climax. I just kept hold of her tits, then nuzzled and mauled at the back of her neck, raking her soft skin with my stubble, as her soaking, sucking pussy got me off.

A big load of cum – mine and hers – splashed out all over my cock and balls. I watched her frig herself, and her pussy pumped out even more as she orgasmed.

strap Dance

The other night, I went over to my girlfriend Thea's place. After a couple of drinks and a light dinner, she tied a black silk blindfold over my eyes and

real thing – Thea likes wearing rubber and I've often gone down on her through her tight fetish panties.

Now she told me to open my legs for her again. I parted my legs and felt the tip of the dildo, hot from

my mouth, bump up against my cunt. It looked enormous, bigger than any cock I'd ever taken. But I was sopping wet from all the

She laid me out on her big bed and pulled my legs wide open, and my body quivered in anticipation of her tongue against my slit. But she left me in suspense for few minutes and then I felt

messing around we'd done and she lubed the whole length of it again, so it slid up me in one push. I took it easy, but it stretched me so wide.

It was like getting fucked by two people at once. If I shut

She felt her way up the front of my body, giving my tits a stroke and a squeeze. Then she pushed the blindfold up and off my eyes. I blinked against the light then looked down to see she was wearing a massive strap-on.

It was like my girlfriend had suddenly sprouted a big, stiff cock and shaved balls instead of the tight, tasty pussy I loved licking so much!

Thea has always been good at roleplay and, when I started sucking on her dildo and felt up the bollocks, she acted like she did when I was eating her cunt. I tried to deep-throat it and didn't quite manage the whole length, but it felt like I had a giant, perfect dick in my mouth. I didn't even mind that it tasted different to the

She let me orgasm around the dildo, my fanny clenching and trembling until I was totally spent. I lay there for a moment, panting.

"Now it's my turn!" I said.

I FELT HIS BOLLOCKS FLOOD MY ARSEHOLE WITH THICK WARM CUM

my arsehole, flooding it with thick, warm cum.

Having our dirty little secret over his mother just made it easier for me to tolerate all her bullshit that weekend!

When we parked outside our house that Sunday, I

wouldn't let him go in until I'd given him a thank-you blow job. I don't think that anyone saw us, but I can't be sure, given that I was headfirst in his crotch at the time...
